

Title: Livelihood Development Assistance Program (LDAP)

Location: Pathway 3: Entrepreneurship / Business in the Philippines

Date last updated: 01 Dec 2022

Formerly known as the 10K Livelihood Assistance Program, LDAP aims to provide grants for livelihood assistance to returning undocumented OFWs

The beneficiaries will receive a business enterprise start-up kit worth P10,000 which consist of the materials of their proposed business. All availed of the LDAP are required to finish the Small Business Management Training and Financial Awareness Seminar to prepare them in managing a small business enterprise.

Target migrants: Any undocumented OFW who has returned to the Philippines
